# THE Festival of Lights STORY

This holiday tradition began 18 years ago, when the Foundation's beloved trustee, C. Edward McCracken, sought a way to brighten the holidays for patients and their families in the hospital.

Immediately, the community embraced this joyous festival, donating lights and trees in memory or to honor loved ones, or just to add beauty to this wondrous holiday display.

Please, be a part of this tradition! As a contributor, your name will be recorded in the Festival of Lights Tribute Book and on the Recognition Board that hangs in the lobby of the hospital. It's a wonderful way to start the holiday season!
